

REAL JAM

Date of Birth: 06/21/2016
Registration 1: 275536
Breeder: DCC
Owner: D&K

Real Jam was a well mannered, big bodied, black tipped horn bull who consistently threw color with wild allele/butler markings to his offspring. We believe as many do that good cows are the key to top producing programs. Elite bulls seldom come from trashy dams. Real Jam was with his dam as she won All Age Grand Champion Female at the 2016 ITLA Championship show in Texas, also winning double bronzes at the Horn
