

## **TWISTY TIB**

Date of Birth:05/19/2018Registration 1:281120Breeder:DCCOwner:D&K

Most people say Wow when they first see this cow. Twisty pushes serious horizontal horn that looks like it will twist down the road. She is a great mother and has a nice disposition. She has great potential and we look forward to see how wide Twisty will actually be.
